Near Bufords, in Bedford county, Va.

The undersigned commissioners, appointed by the Circuit Court of Bedford county, in the chancery suit of Williams, &c., vs. Slicer, &c., will offer for sale on the premises on

THURSDAY, OCTOBER 16, 1890,
That valuable farm known as "Cottage Home," situated about one mile east of Montvale, a station on the Norfolk and Western railroad—formerly Bufords—and about a quarter of a mile from the Montvale Hygea Springs. This is one of the most valuable farms in Bedford county. It lies in the famous Goose Creek Valley, and was formerly owned by the late Mrs. M. M. Williams. The improvements consist of a large,

Commodious Dwelling House,
With eight rooms, double porches entire length of the building, a large yard with beautiful shade trees; kitchen with four rooms; servants' house; smoke-house and dairy; large barn and stables; a large apple orchard in full bearing. This place has been for some years a popular summer resort. It is twelve miles from Bedford City and eighteen miles from Roanoke. There are several churches at Bufordville and a very fine school. It is not often property so desirable is put upon the market. Said tract contains about 140 acres.

Terms of sale—\$250 cash; the residue upon a credit of one, two and three years; the purchaser to give bonds with good personal security, containing waiver of homestead exemption, and carrying interest from day of sale.

THE PLAN OF THE COMPANY.

This Company is chartered under the laws of Virginia, and its object is to invest combined capital in Southwest Virginia, in the Shenandoah Valley, and other rapidly-developing sections of the State, embracing the growing towns of Roanoke, Radford, Salem, Danville, Lynchburg, Buchanan, Bedford City, Buena Vista, Glasgow, Waynesboro, Basic City, AND SUCH DISTRICTS AS AFFORD OPPORTUNITIES FOR SAFE INVESTMENTS AND QUICK RETURNS in town property, mineral lands, stocks, bonds, and other securities.

are to be judiciously made by a Committee of the officers selected for that purpose, thus securing to each stockholder the benefits of their combined judgment and discretion.

THE STOCK
is divided into shares of the par value of ONE HUNDRED DOLLARS EACH. BUT ASSESSABLE ONLY TO THE AMOUNT OF \$52.00 ON EACH SHARE.

payable as follows:—\$12.00 when stock is subscribed for, and \$10.00 each month thereafter until the whole \$52.00 is paid in. No more assessments will be called for. It is confidently believed that the stock will, by judicious investments, readily be worth \$100.00 per share inside of twelve months, and then rapidly rise to a handsome and ever-increasing premium. Of the \$52.00 paid in, \$2.00 will be applied to expenses of obtaining the charter, placing the stock and other preliminary expenses. So soon as \$100,000.00 is subscribed for, investments will be commenced and continued as further investments are paid in, thus keeping no idle funds, but putting every dollar into active investment and earning.

NOTE.
This company is formed to meet a growing necessity. The phenomenal development in Virginia presents unrivaled opportunities for safe investment and large and quick returns. Capital can nowhere earn surer or more speedy profits than here, whether in town property, mineral lands, stocks or securities. Large fortunes have been legitimately and quickly acquired by investments, both by individual effort and especially by combined capital. To those who have the time and means to come and see and invest for themselves, no field offers richer returns. But the visitor is embarrassed by the very multitude of opportunities offered him on every side in the many localities, and, with difficulty, determine where it is best for him to place his money.

Again: Even those upon the grounds are often compelled to let slip rare opportunities daily presenting themselves, simply because of lack of sufficient individual means. It is frankly believed that this Company meets both of these embarrassments.

This Company Will Not Confine Its Operations to Any One Locality, but Will Seek Out the Best Wherever Presented in All the Places Named.

The investing Committee will give their personal inspection and judgment to all investments, both as to their locality and their nature, in all of which they will have a common pecuniary interest with all other stockholders. With the aggregated capital of the Company large and varied investments will be made that are denied to the smaller means of the individual. Every thinking man can see that no plan can offer more advantages to invest carefully and wisely than that of this company.

Real estate will be bought and sold; investments in stocks and securities will be made, as stated, wherever the best may be found, confining the scope of the company to no one locality. Rich returns have been had from similar organizations whose operations have been almost, if not entirely, confined to Roanoke and vicinity alone.

Subscription books now open at company's office, Exchange Building, Roanoke, Va. For particulars apply to
